

EXPERIENCE

Kittl

Staff Product Designer & Editor Team Lead

SEP 2025 – JUN 2026
BERLIN

Senior Product Designer

MAY 2023 – AUG 2025
BERLIN

- Led the core editor experience across the Vector Graphics and Text squads, owning the full product lifecycle — vision, roadmap, delivery, dogfooding, and go-to-market
- First Product Design hire — partnered directly with the Co-founder/CPO to evolve Kittl from a hobbyist tool into a professional design platform
- Designed and shipped **30+ features** and established the core design foundations
- Helped recruit and shape the growing design team
- Took on full Product Manager responsibilities — roadmap, backlog, release process — ahead of promotion to Staff

Kittl is a browser-based design platform for creating graphics, print, and merch.

SKILLS

Strategy & Leadership

I turn ambiguous problems into a clear roadmap and align cross-functional teams behind it — as an IC and as a team lead.

Product strategy · MVP definition · roadmapping · backlog management · cross-functional leadership

Craft

I work across the full fidelity range, from early concept to shipped product, and I own design systems as readily as I prototype with AI tools.

UX design · brand design · design systems · AI prototyping

Tools

Claude Code · Codex · Cursor · Figma · Framer · GitHub · Notion · Metabase · Mixpanel · ClickUp · Google Suite
