EXPERIENCE

Staff Product Designer & Editor Team Lead • Kittl

Sep 2025 - June 2026 | Berlin

Leading the core editor experience across Vector Graphics and Text squads, uniting design and product strategy. Owning the full lifecycle from vision and roadmap definition to delivery, dogfooding, and go-to-market coordination.

Senior Product Designer • Kittl

May 2023 - Aug 2025 | Berlin

First full-time Product Designer, partnering with the Co-founder/CPO to evolve Kittl from a hobbyist tool into a professional design platform. Designed and shipped 30+ features, built design foundations, and helped recruit and shape the growing design team. Later took on full Product Manager responsibilities owning roadmap, backlog, and release processes prior to promotion.

Senior Product Designer • Sharpist

Jun 2022 - Oct 2022 | Berlin

Redesigned learner app (web + mobile), improving UX & engagement. Mentored designers and streamlined marketing collaboration.

Senior Experience Designer • BCG Digital Ventures

May 2020 - May 2022 | Berlin

Experience Designer • BCG Digital Ventures

Mar 2018 - Apr 2020 | Manhattan Beach CA, Berlin

Worked in cross-functional venture teams to launch products and businesses for corporations & NGOs across healthcare, music, logistics, finance, investment, real estate and more. Owned multiple design workstreams from research to delivery within agile cycles. Drove UX architecture, prototyping, and implementation. Contributed to Figma rollout globally across BCG offices & process initiatives across ventures.

Senior Product Designer • MusicHub

May 2020 - Feb 2021 | Berlin

Operated as the sole designer shaping strategy, UX, and delivery from concept to launch. Built and maintained the design system, led testing and workshops, and aligned product, engineering, and marketing efforts.

Designer • Pip Tompkin Studio

Mar 2016 - Dec 2017 | El Segundo CA

Executed product, interaction, and brand design for consumer-tech clients from concept to launch.

Product Design Intern • Karten Design

Sep 2014 - Dec 2014 | Marina del Rey CA

Collaborated with research strategists, designers, and engineers on research, strategy, concept development, and prototyping for projects spanning medical and consumer products.

Freelance Visual Designer • Freewaters

Aug 2014 - Dec 2014 | Laguna Hills CA

Created concept directions and original pattern designs for Tropica and Nikki, women's flip-flop collections for the Summer 2015 season.
